With Sincere Appreciation

THANK YOU to the local **Home Depot volunteer crew** for donating their time, talents and resources. They built and planted a gorgeous raised planter bed, ramps for easy access, supplied a wide variety of herbs, tomatoes & flowers, and mulched the yard. So generous!

Chase Oaks Church volunteers continued the yard beautification by repairing and painting lawn furniture, power washing, and further plantings.

Baylor School of Nursing students donated several handmade lap quilts, blankets, and afghans for our members to enjoy. We appreciate the kindness!

Recognizing **Friends Place members Chad Cooper & Phil-Puckett** for their outstanding volunteer service. They are always ready to lend a helping hand.

Welcome to New Friends Place Members
