BOX TOPS FOR EDUCATION

In 1996, General Mills looked at ways to create a program to help support education and benefit schools. Fast forward to today- America's schools have earned over \$868 MILLION dollars that enable schools all across the U.S. to purchase much needed supplies for schools. If you have Box Tops on products you have purchased, please consider bringing them to Friends Place.

B.H. Macon Elementary School in Dallas has asked us to help collect Box Tops for the upcoming year. Please drop them in our "Egg Head" next time you're at Friends Place.
