Father's Day means

Classic Cars at Friends Place!

Look for the invite to our "Beer and Brats" Father's Day celebration
Root beer and Ginger beer and Classic Cars

Friday June 17

We Are Excited to Present a New Program!

We are proud to introduce a new program to Friends Place. We are enrolling in the Dallas Arboretum's "Edith's Memory Garden" program. This program is offered by the Dallas Arboretum for those suffering from memory loss. The program is a series of 4 classes. Volunteers from the Arboretum will come to Friends Place to hold the classes. They will bring supplies, etc. and will base the class on the study of life in the garden. The class will consist of hands-on gardening, reminiscing, exercise, sharing experiences and creating something to take with them.

This program is made possible by sponsorships by the AWARE Dallas Foundation and the Darrel K Royal Research Foundation.

This program will be offered to all Friends Place members that sign up to participate. There will be a limited number of places for each class. Once we have decided on the dates of each class, we will make sign up sheets available for you. Please watch out for them!

DALLAS ARBORETUM
AND BOTANICAL GARDEN

AWARE Dallas Foundation is a nonprofit organization dedicated to fighting Alzheimer's disease by providing funding and support to projects, programs and research benefitting individuals in the North Texas area.

The Darrell K Royal Research Foundation is a foundation that funds critical and collaborative research to bring about medical breakthroughs in the treatment and cure of Alzheimer's Disease.

Friends Place Team Members

Delia Breedlove – June 24

Support Group at Friends Place **Alzheimer's Caregiver Support Group**

In Person

Tuesday, June 14
General Discussion
Time: 2:00-3:30 pm

Tuesday, May 28
Topic: Latest Research on Structural Changes to
the Brain with Alzheimer's Disease
Speaker: Dr. Jeremy Strain, PhD, Neurology
Time: 2:00-3:30

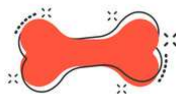

Dr. Strain received his PhD in Neurology at University of Texas in Dallas. He is now a researcher and instructor at Washington University, St. Louis, Missouri. He has published many papers on Traumatic Brain Injury and Alzheimer's Disease.

SUCCESS!

We had a very successful outreach program last month when we baked doggie treats and sold them.

We were able to raise over \$250 for Tri Cities Animal Shelter.

Thank you to everyone who helped to make and package the treats and thanks to all who purchased them!

MAKE YOUR RESERVATION

You can now submit a reservation calendar online! Email rhenny@friendsplaceads.com to receive a link and be added to a monthly mailing list. Paper copies are still available. Daily reservations are being held to 30, so be sure to get yours before it is too late!
